

BP60

TENNIS AND LAWN BOWLS GREEN ROLLER

Features & Benefits:

- Electric motor: Reduces noise, perfect for early morning use on tennis courts and bowling greens.
- Advanced AC electric components and worm drive gearbox: Deliver long-lasting, maintenance-free operation.
- No chains or belts: Minimal downtime and maintenance costs.
- Built-in transport trailer: Stays attached for easy transport between tennis courts and bowling greens.
- Patented triple offset smoothing rollers: Ensures an even, professional-grade surface.
- Large balanced steel drive roller: Smooths surfaces gently for optimal turf conditions.
- Padded seat and armrests: Comfortable and safe operation.
- 24-month warranty & after-sales service: Backed by reliable support.

**Designed in Australia.
